****Please make sure we have your most current, emergency contact information. This can be via telephone, mail, or email.** We want to make sure we efficiently communicate with you should there be any new developments. Please reach out to **Kameshia Jones, RN– 843-726-5581, EXT: 118 or kjones@ridgelandnc.com** with your updated contact information or any other information and/or concerns.

****RESIDENTS, STAFF & VISITORS, please help prevent the spread of infection by exercising proper [handwashing hygiene, coughing and sneezing etiquette and wear mask from your vehicle to visitation areas.](#)** We offer hand washing and alcohol-based hand sanitizer stations throughout the building. Please avoid shaking hands and hugs with any individual. Please observe CDC/DHEC guidance of 6' social distancing, hand sanitation and masking. Please do not touch your face with hands. **If you are experiencing a cough, fever/CHILLS, sore throat, runny nose/congestion, and/or shortness of breath, loss of taste and smell, fatigue, headache, diarrhea or nausea/vomiting please let a staff member know immediately.**

RIDGELAND NURSING AND REHAB is following the recommendations of the CDC on prevention steps, including following strict handwashing procedures, and in many circumstances, wearing gowns and gloves when interacting with residents who present symptoms. In addition, **RNC** is in close contact with the local and state health department, and we are following their guidance.

Sincerely, **RIDGELAND NURSING AND REHAB 1516 GRAYS HWY – RIDGELAND, SC 29936**
